## SUPER HEPA

Vacuum 60% faster with the **TOMCAT** Super Duty HEPA. Extremely high air-flow speeds your cleaning, increasing productivity, reducing costs and effort. Highly effective in removing fine dust and particulates embedded deep in the Carpet fibers. Great for use in Schools, Office Buildings, Hospitals, Hotels and high traffic areas.

## CONSTRUCTION HEPA

The **TOMCAT** Construction HEPA has powerful performance for demanding situations. Using a two-stage motor, speeds the recovery of heavier particulates. Perfect for use in Construction, Demolition, Restoration, Remodeling and as an attachment to high speed Floor Buffers and Sanders.

## AVIATION/TRANSPORTATION HEPA

The **TOMCAT** Aviation and Transportation HEPA with a 400hz motor uses the same power source found on Aircraft, Trains, Buses, and other methods of transportation. No adapters needed - Just plug-in and clean. Choose from our 10 qt. or 6 qt. models depending on the available work space and capacities needed.
