SUPER HEPA
Vacuum 60% faster with the Tomcat Super Duty HEPA. Extremely high air-flow speeds your cleaning, increasing productivity, reducing costs and effort. Highly effective in removing fine dust and particulates embedded deep in the Carpet fibers. Great for use in Schools, Office Buildings, Hospitals, Hotels and high traffic areas.

CONSTRUCTION HEPA
The Tomcat Construction HEPA has powerful performance for demanding situations. Using a two-stage motor, speeds the recovery of heavier particulates. Perfect for use in Construction, Demolition, Restoration, Remodeling and as an attachment to high speed Floor Buffers and Sanders.

AVIATION/TRANSPORTATION HEPA
The Tomcat Aviation and Transportation HEPA with a 400hz motor uses the same power source found on Aircraft, Trains, Buses, and other methods of transportation. No adapters needed - Just plug-in and clean. Choose from our 10 qt. or 6 qt. models depending on the available work space and capacities needed.
New Generation of Durability

- Built In Cord Wrap
  - Ease of Access and Storage
- Ergonomic Straps
  - Operator Comfort and Safety
- Swivel Fitting
  - Operator Ease
- Ergonomic Tool Holder
  - Operator Comfort and Safety
- High Power Quality Fan
  - Maximum Power
- Soft Bend Hose
  - Improved Airflow over sharp 90°
- Downwards Debris Deflector
  - Extended Life of Filters
  - Reducing Costs
- 1st Stage Filters (3 Available)
  - HEPA and others to meet any budget
- Heavy Duty 2nd Stage Filter
  - Reusable and improved filtration
- 3rd Stage Filter
  - Motor Protection
- Sound Deadening Exhaust Filter
  - Lowers Vacuum Sound

Ultra, Standard and HEPA Filter Bags

10 qt. Converts to a Blower

Since 1986, our family owned company has been designing, building and supporting the best in floor maintenance equipment. Our **Tomcat** brand services the world with unsurpassed commercial cleaning equipment, continually exceeding expectations and setting the industry bar that much higher. We favor the American Economy, and are committed to legitimate environmental best practices. Our investment in technology ensures a superior product and support for our customers. We want to ensure that we provide only the best in customer service, and that begins with our knowledgeable in-house customer support staff.

We’ve built our reputation by providing the highest value machines and providing local support via over 425 distributors in 42 different countries. Our Authorized Distributors maintain a “factory trained” technical department, with a vested interest in our customers’ long term satisfaction. **Tomcat** offers a full line of equipment that includes sweepers, scrubbers and burnishers in both walk behind and rider models.
